Thank you for downloading our information package to learn more about our BRAND NEW Job Search feature on the website. We created this new feature to highlight all of the amazing local businesses that are thriving here in Winnipeg and to show them off to potential employees so they know what kind of opportunities are out there.

For \$25 a month, per post, you can list the job posting that you're currently trying to fill on our site.

To help kick off this new Job Search feature, we're offering new companies their first 6 months FREE.
